FEATURED MODEL	Palfinger P320
----------------	----------------

WILSON ACCESS HIRE

Part of our jumbo class truck mounted cherry picker range, the Palfinger P320 has a 32.00m reach and 25.50m outreach with a maximum basket capacity of 600kg. With a vehicle weight of only 15 tonnes, the Palfinger P320 truck mounted cherry picker for hire sets new standards for manoeuvrability, functionality and basket load for all your outdoor working at height requirements. This machine is supplied with an experienced and fully qualified operator.

The information provided is for guidance only. It may change at any time in accordance with manufacturer's specification. Variable jacking will affect the working envelope. Outreach is variable depending on load, angle of rotation and outrigger configuration.
