WILSON ACCESS HIRE

The Ruthmann Steiger T330 is one of the most innovative truck mounted cherry pickers on the market. It has a 33.00m working height and an impressive 21.50m horizontal outreach. The T330 truck mounted cherry picker offers maximum stability and usability. The 320kg basket capacity accommodates up to 3 people with tools. Ideally suited for arborists, roofing contracts and high level cleaning working at height projects. This machine is supplied with an experienced and fully qualified operator and is available to hire.

The information provided is for guidance only. It may change at any time in accordance with manufacturer's specification. Variable jacking will affect the working envelope. Outreach is variable depending on load, angle of rotation and outrigger configuration.
